NYSE American: GORO

September 8, 2017

Dear Fellow Shareholders:

Many of you may have heard that an approximate 8.1 magnitude earthquake struck off the southern coast of Mexico late on Thursday, September 7<sup>th</sup>, causing widespread damage and loss of life. The Company reports that no employees were injured in this event, and that initial assessments at our Mexican operations show no damage was sustained. Mine and mill operations are currently operating as normal.

Sincerely,

Jason Reid  
CEO and President
